## Work Experience

- Today**  
TrafficBroker Ltd  
[www.trafficbroker.co.uk](http://www.trafficbroker.co.uk)
- Designer at TrafficBroker, Forward Internet Group ([forward.co.uk](http://forward.co.uk)).  
Designing for the web.  
User Interfaces and visual communication guidelines for company's publishing projects and online marketing and advertising material.
- 2006/2007**  
Egolab Srl  
[www.egolab.it](http://www.egolab.it)
- Art Director at Egolab, online advertising and web agency.  
I designed and managed production for clients such as Telecom Italia, OI Distribuzione, Unilever, Rai Sat.
- 2005/2006**  
Lucille Tenazas  
[www.tenazasdesign.com](http://www.tenazasdesign.com)
- Assistant graphic designer for Lucille Tenazas during her Italian stay (American Accademy in Rome).
- 2005**  
LB Group  
[www.lbgroup.it](http://www.lbgroup.it)
- Worked with LB Group as web designer for the CNCU (The National Council of Consumers and Subscribers).  
I designed the client's website and helped LB Group to create it's structure and user experience flow.
- 2003/2005**  
Primo Angeli Designs
- Worked as design assistant to Mr. Primo Angeli (Primo Angeli Designs). I focused on different design projects for the european and american market, spacing from

packaging, print and poster design,  
editorial design.

**oct/dec 2003**  
TNT Design Architetti Associati

Collaboration with TNT Design Architetti Associati. I designed the general layout and the single templates used at eurodomus.it, institutional site for Eurodomus.

**Feb 2003**  
TNT Design Architetti Associati

Collaboration with TNT Design Architetti Associati: video editing and creation of a promotional DVD for Eurodomus, construction company based in Rome.

**2002**  
INRAN  
inn.ingrm.it

Created a private website for INRAN. It served as a discussion area reserved for INRAN scientists involved in OGM projects.

**2001/2003**  
Studio Cimmino  
www.cimminodesign.com

As a Junior Designer I carried out editorial projects, identity and advertising designs, creation of finish layouts and file finalization for print.

I was in charge to check the printing process for the studio (films, plates, colors, final result) both on digital and offset printing jobs. I later managed the studio's web design and development section, working at projects for, among others, Endemol Italia, Filmauro and Mbc Clothing.

## Languages
